Chemical

Burning Jet Black

Collecting childlike memories
Piles and piles all headed south
I want to be born again
Just to feel your hand as it covers my mouthI got beat by your chemical
I fell in love with your chemicalYou're one wicked little thing
I love the way you love yourself
I'm hooked on you my medicine
'Cause you make me horny while you steal my wealth
I got beat by your chemical
I fell in love with your chemical
I'm tied up 'cause you're so sweet
Coming for meBuild you up a throne
Present you with a crown
At that perfect little place
Where they'll put me in the ground
Carving up a stone
Parade it through the town
To that perfect little place
Where they'll put me in the ground
I got beat by your chemical
I fell in love with your chemical
I'm tied up 'cause you're so sweet
Coming for me
