

Workin' Overtime

Walter Trout

I?ve been working for the man
And I can?t even save a dime
I?ve been working for the man
And I can?t even save a dime
He just keeps on getting? richer
And he?s got me workin? overtime

Well now I just can?t seem to make it
No matter how I try
Every time I think about it
I just hang my head and cry
I got no one to turn to
Oh it aught to be a crime
Because the man keeps gettin? richer
And he?s got me workin? overtime

Well It?s just a dead end street
I ain?t getting? anywhere
Every time I look around me
Ain?t nobody seem to care
The man keeps getting? his
But I still ain?t been getting? mine
He keeps on gettin? richer
And he got me working overtime
Workin? overtime!
