Captive Bolt Pistol

Carcass

Desensitizer
Carbine Mortiser
Brain Paralyzer
Cold and Rational
Premeditated Death Sanitizer

Aimed accles and shelvoke cash
The cranium punctured penetrated and mashed
Non-lethal pneumatic percussion cap
A meat suppressor rifled muzzle flash

Stunbolt fired
Wrought carbon alloy expelled
A knackeries recital
Respiring lines of warm stupefying black powder cordite

HILTI DX seven five zero
Low velocity recoil lock and load
Into cerebral grey matter and temporal lobe
Point two two caliber metal
Jacket blank round explodes

Capitive bolt pistol detonation
Skull bone cavity penetrating
Captive piston cavity trepanation

The monolithic shambles
Of doctor temple grandin
Forceful projectile
No exit wound upon its deadly death-strike discharge

Blitz-kerner homicide
To cull the human herd despised
Captive bolt pistol munition of spite
The love child of Doctor Hugo Heiss
