

# Situation (Club 69 Future Funk mix)

## Yazoo

Blue eyed dressed for every situation  
Moving through the doorway of a nation  
    Pick me up and shake the doubt  
Baby I can't do withoutMove out, don't mess around  
    Move out, you bring me down  
    Move out, how you get about  
Don't make a sound just move outI remember only for an hour  
    Move right through me can you feel the power  
    I don't know what's going on  
It scares me but it won't be longMove out, don't mess around  
    Move out, you bring me down  
    Move out, how you get about  
Don't make a sound just move outNow he's in control he is my lover  
    Nations stand against him he's your brother  
    Been a long time, been a long time now  
I'll get to you somehowMove out, don't mess around  
    Move out, you bring me down  
    Move out, how you get about  
Don't make a sound just move outMove out, don't mess around  
    Move out, you bring me down  
    Move out, how you get about  
    Don't make a sound just move out
