# That Girl

## Plain White T's

I met a girl and it was easy to see
That she was falling hard for me
That girl, she wanted me to know
And by the time the night was ready to end
She grabbed a hold of both my hands
That girl, she wouldn't let me go
And now I'm singing
Do, do, do you wanna be on top or on the ba-ba bottom?
Don't make me stop
'Cause I know, oh, oh I'm in la-la love with you girl
I can't stop singing
Do, do, do you wanna spend the night
And wake up, up, up under the morning light?
'Cause I know oh, oh I'm in la-la love with you girl
I really thought that she was taking it slow
When she asked me to take her home
That girl kept giving me the eye
I said goodnight, we traded numbers and stares
But she said, "You're not going anywhere"
That girl, she made me come inside
And now I'm singing
Do, do, do you wanna be on top or on the ba-ba bottom?
Don't make me stop
'Cause I know, oh, oh I'm in la-la love with you, girl
I can't stop singing
Do, do, do you wanna spend the night
And wake uh-uh up under the morning light?
'Cause I know oh, oh, I'm in la-la love with you, girl
La-la love with you, girl, la-la love with you, girl, yeah
Oh yeah, and now I'm singing
Everybody sing it with me now
Do-do-do, ba-ba-ba, oh-oh-oh, la-la-la, yeah
One more time, co'mon
Do-do-do, ba-ba-ba, oh-oh-oh, la-la-la, yeah
I can't stop singing
Do, do, do you wanna be on top or on the ba-ba bottom?
Don't make me stop
'Cause I know, oh, oh I'm in la-la love with you, girl
Everybody sing now

Do, do, do you wanna spend the night
And wake uh-uh up under the morning light?
'Cause I know oh, oh I'm in la-la love with you, girl, yeah
La-la love with you, girl, la-la love with you, girl, yeah
