

# From Me to You

## The Love Me Do's

Da da da, da da dumb dumb da  
Da da da, da da dumb dumb da  
If there's anything that you want  
If there's anything I can do  
Just call on me and I'll send it along  
With love, from me to you I've got everything that you want  
Like a heart that's oh so true  
Just call on me and I'll send it along  
With love, from me to you I've got arms that long to hold you  
And keep you by my side  
I've got lips that long to kiss you  
And keep you satisfied (oh) If there's anything that you want  
If there's anything I can do  
Just call on me and I'll send it along  
With love, from me to you From me  
To you  
Just call on me and I'll send it along  
With love, from me to you I've got arms that long to hold you  
And keep you by my side  
I've got lips that long to kiss you  
And keep you satisfied (oh) If there's anything that you want  
If there's anything I can do  
Just call on me and I'll send it along  
With love, from me to you  
To you  
To you  
To you
