

# Long Before I Die

## Armored Saint

You got yours, baby I got mine  
We just can't seem to make ends meet  
Don't you realize when jumpin' in the water  
You're gonna get wet past knee deep Give in  
Give and take  
Taken by mistake Sooner or later deceit's gonna hit  
Lay your cards on the table and draw  
From now on I call the shots  
Long before I die, long before I die Give in  
Give and take  
Taken by mistake From now on I call the shots  
Long before I die, long before I die
