Stevie Hoang
This is one is for youu.
Sho- sho-show you off . . .
[Chorus:]When you catch me starin'
I can't help it
I just can't believe you're mine
When you see me smilin'
I can't hide it
Wanna take you up all the time
I just wanna show you off (ooooff . . .)
Show you off (ooooff . . .)
Show you off (oooh oooff. . .)
I just wanna show you off (ooooff . . .)
Show you off (ooooff . . .)
Show you off (oooh oooff. . .)
Sho-sho-sho- Show you off. . .
[Verse 1:]I had someone like me
Got someone like you
Damn it feels like, I won the lottery
Don't know if I'm awake
Or if I'm dreamin'
Sometimes I got to pinch myself to see
Then I'ma do the starin'
Baby twisting the next
Don't matter what you wearin'
Girl you're still of the best
With or without make-up
Don't matter with me
You're the girl in the club
[Chorus:]When you catch me starin'
I can't help it
I just can't believe you're mine
When you see me smilin'
I can't hide it
Wanna take you up all the time
I just wanna show you off (ooooff . . .)
Show you off (ooooff . . .)

Show you off (oooh ooofff. . .)
I just wanna show you off (ooooff . . .)
Show you off (ooooff . . .)
Show you off (oooh ooofff. . .)
Sho-sho-sho- Show you off. . .

[Verse 2]Wanna show you the whole world
That you're my girl
So I'ma take a picture, put it on Facebook
Friends and family, no you're my baby
They keep telling me I don't deserve you
Then I'ma do the starin'
Baby twisting the next
Don't matter what you wearin'
Girl you're still of the best
With or without make-up
Don't matter with me
You're the girl in the club
[Chorus:]When you catch me starin'
I can't help it
I just can't believe you're mine
When you see me smilin'
I can't hide it
Wanna take you up all the time
I just wanna show you off (ooooff . . .)
Show you off (ooooff . . .)
Show you off (oooh ooofff. . .)
I just wanna show you off (ooooff . . .)
Show you off (ooooff . . .)
Show you off (oooh ooofff. . .)
Sho-sho-sho- Show you off. . .
[Bridge:]Its like hitting the jackpot in Vegas
Its like *don't know* and being famous
Its like my whole life is like a holiday
And just in case you ever wonder
[Chorus:]When you catch me starin'
I can't help it
I just can't believe you're mine
When you see me smilin'
I can't hide it
Wanna take you up all the time
I just wanna show you off (ooooff . . .)
Show you off (ooooff . . .)
Show you off (oooh ooofff. . .)
I just wanna show you off (ooooff . . .)

Show you off (ooooff . . .)
Show you off (oooh oooff. . .)
Sho-sho-sho- Show you off. . .
