

Palo Alto (Remastered)

Radiohead

In a city of the future
It is difficult to concentrate
Meet the boss, meet the wife
Everybody's happy, everyone is made for life
In a city of the future
It is difficult to find a space
I'm too busy to see you
You're too busy to wait
But I'm okay, how are you?
Thanks for asking, thanks for asking
I'm okay, how are you?
I hope you're okay too
Every one one of those days
When the sky's California blue
With a beautiful bombshell
I throw myself into my work
I'm too lazy, been kidding myself for so long
