

# Palo Alto (Remastered)

## Radiohead

In a city of the future  
It is difficult to concentrate  
Meet the boss, meet the wife  
Everybody's happy, everyone is made for life  
In a city of the future  
It is difficult to find a space  
I'm too busy to see you  
You're too busy to wait  
But I'm okay, how are you?  
Thanks for asking, thanks for asking  
I'm okay, how are you?  
I hope you're okay too  
Every one one of those days  
When the sky's California blue  
With a beautiful bombshell  
I throw myself into my work  
I'm too lazy, been kidding myself for so long
