

When It's Love

Van Halen

Hey, everybody's lookin' for somethin'
Somethin' to fill in the holes
We think a lot but don't talk much about it
'Till things get out of control, ohHow do I know when it's love?
I can't tell you but it lasts forever
Oh, how does it feel when it's love?
It's just somethin' you feel together when it's loveYou look at every face in a crowd
Some shine and some keep you guessin'
Waiting for someone to come into focus
And teach you your final love lesson, ohHow do I know when it's love?
I can't tell you but it lasts forever
Oh, how does it feel when it's love?
It's just something you feel together(Oh)
Oh, when it's love
(Oh)
You can feel it, yeah
(Oh)
Nothin's missin', yeah(Oh)
Yeah, you can feel it
(Oh)
Oh, when it's love
(Oh)
When nothin's missingHow do I know when it's love?
I can't tell you but it lasts forever
Ooh, how does it feel when it's love?
It's just something you feel together, heyHow do I know when it's love?
I can't tell you but it lasts forever
When it's love, ooh, when it's love
Hey, it'll last forever(Na, na, na, na, na)
When it's love
(Na, na, na, na, na)
(Na, na, na, na, na)
(Na, na, na, na, na)
Give it upWe're gonna feel this thing together
(Na, na, na, na, na)
When it's love, ooh
(Na, na, na, na, na)
When it's love, baby
(Na, na, na, na, na)(Na, na, na, na, na)

You can feel it, yeah
(Na, na, na, na, na)
(Na, na, na, na, na) We'll make it last forever
(Na, na, na, na, na)
(Na, na, na, na, na)
Ooh, when it's love
