Lonely Sunday

Reignwolf

Unchain my hands, quickly
The night is coming in
I keep falling back in the ways
The show will set me freeWait, you've got it in my heart
You can't stay
On the lonely, lonely Sunday
Hey, lonelyInside my veins, your blood
Is calling out your name, oh
So I go on and on, but I will never be the same
Wait, you've got it on the heart
You can't stay
You know who you are and don't you forget
We're all for something
Darling, tomorrow will be
Another lonely, lonely Sunday
Oh!
And I can't forget
I won't forget
I just can't forget
The lonely, lonely Sunday
