Right Left Wrong

Three Days Grace

Sometimes I just wanna run away
Run away
Run away
I only wanna disappear
Far from here
Away from everyone
Before I come undone
Time has come
Time has comeSo here I go
Left right left
Right left wrong
I don't know where I'm going
But I just keep moving on
Moving on
Moving on
I've been thinking about it
Too much doubt in
All of these feelings
Too many reasons to run
Time has come
Time has come
So here I go
Left right left
Right left wrong
I don't know where I'm going
But I just keep moving on
Left right left
Right left wrong
I don't know where I'm going
But I just keep moving on
I put my head down keep running away from it
Anywhere I'm going can't be worse than this
I need to get away before it pulls me here
I'm never ever getting close to anyone again
I put my head down keep running away from it
Anywhere I'm going can't be worse than this
I need to get away before it pulls me here
I'm never ever getting close to anyone again
And I don't even know where I'm going to

But I don't want any motherfuckin part of you
I've been waiting for this moment for way too longI don't know where I'm going
But I just keep moving on
Left right left
Right left wrong
I don't know where I'm going
But I just keep moving on
Left right left
Right left wrong
I don't know where I'm going
But I just keep moving on
