

Scream Aim Fire (Live at BBC Radio 1)

Bullet for My Valentine

Kill your enemies
My brothers dead around me
Wounds are hurting
Death is creeping for me
Smoke is blinding
Hearts are pounding
Chaos soon ignites
The call is made
Its one for all
Will I meet thy maker Over the top over the top
Right now it's killing time Over the top over the top
Right now it's killing time Over the top over the top
Right now it's killing time The only way out is to die God has spoken through his conscience
As I scream aim and fire
The death toll grows higher God has spoken through his conscience
As I scream aim and fire
The death toll grows higher Fuck this battlefield
The bullets shatter round me
Bodies falling
Voices calling for me
Limbs are flying
Men are crying
Such a hurtful sight
The call is made
It's one for all
Take no prisoners Over the top over the top
Right now it's killing time Over the top over the top
Right now it's killing time Over the top over the top
Right now it's killing time The only way out is to die God has spoken through his conscience
As I scream aim and fire
The death toll grows higher God has spoken through his conscience
As I scream aim and fire
The death toll grows higher Scream!
Aim!
Fire! Scream!
Aim!
Fire! Over the top over the top
Right now it's killing time Over the top over the top
Right now it's killing time Over the top over the top

Right now it's killing timeThe only way out is to dieGod has spoken through his conscience

As I scream aim and fire

The death toll grows higherGod has spoken through his conscience

As I scream aim and fire

The death toll grows higherScream!

Aim!

Fire!
