

# If I'm A Fool (for Loving You)

[Elvis Presley](#)

If I'm a fool for loving you then that's just what I want to be  
They're saying I am just your clown and any fool could see  
That you're just having fun and you're not in love with me  
The things they're saying may be true, but there's something they can't see

If I'm a fool for loving you then that's just what I want to be  
If I'm a dreamer, let me dream. If I'm your clown I'll steal the show  
If things are not the way they seem, please don't ever let me know  
If I am blind it's because I just don't want to see

If I'm a fool for loving you then that's just what I want to be  
If I'm a dreamer, let me dream. If I'm your clown I'll steal the show  
If things are not the way they seem, please don't ever let me know  
If I am blind it's because I just don't want to see

If I'm a fool for loving you then that's just what I want to be  
If I'm a fool for loving you then that's just what I want to be  
If I'm a fool for loving you
