

# Just A Kiss

## Mishon

We ain't gotta go all the way  
But, baby, we can do somethings  
A little game I like to play  
Listen, shawty We ain't gotta go all the way  
But, baby, we can do somethings  
A little game I like to play Girl, you don't need to be nervous  
I know I just met you, these other girls lookin'  
But I never disrespect you, babe  
This's gonna be okay, yeah You was pretty as a picture  
I want you in my room  
You whisper in my ear  
I don't wanna move too soon, okay  
This's gonna be okay, yeah Ooh, your body's soft  
Now take that jacket off  
I think we gon' be good friends, yeah Shawty, no need to be scared  
If you don't wanna go there  
No days before we begin  
We ain't gotta go We ain't gotta go all the way  
But, baby, we can do somethings  
A little game I like to play Just a kiss, just a kiss, just a kiss  
Ooh, girl  
Just a kiss, just a kiss  
Can we play, can we play? And we're flirtin' and jokin'  
And I can see that you're open  
Everything I'm doing  
I can tell that you love it, babe  
You like the way we play So we touchin' and teasin'  
Now you got me feenin'  
We both know we want  
The next step for pleasin', babe  
But we can wait another day Ooh, your body's soft  
Now take that jacket off  
I think we gon' be good friends Shawty, no need to be scared  
If you don't wanna go there  
No days before we begin We ain't gotta go all the way  
But, baby, we can do some things  
A little game I like to play Just a kiss, just a kiss, just a kiss  
Ooh, girl  
Just a kiss, just a kiss

Can we play, can we play? We ain't gotta go all the way, no  
'Cause it's called Just a kiss, just a kiss, just a kiss  
Ooh, girl  
Just a kiss, just a kiss We ain't gotta go all the way  
But, baby, we can do somethings  
A little game I like to play Just a kiss, just a kiss, just a kiss  
Ooh, girl  
Just a kiss, just a kiss  
Can we play, can we play? Just a kiss, just a kiss, just a kiss  
Ooh, girl  
Just a kiss, just a kiss  
Can we play, can we play? Just a kiss, just a kiss
