Talk To Me (Angels With Dirty Faces)

Tricky

Someone talk to me now
Energy won't move me
Oceans, oceans won't soothe me
Cry me a bayou
Slime, sleaze pass throughYou love it when I'm leaving
You love it when I'm leavingSomeone talk to me now
Energy won't move me
Oceans won't soothe meYou love it when I'm leaving
You love it when I'm leavingAngels with dirty faces
Disappear without traces
Them bonesAngels with dirty faces
Disappear without tracesLove it when I'm leaving you
You love it when I'm leavingSomeone talk to you nowI love it when you leaving
I love it when you leavingCry me a bayou
Someone talk to you now
Energy won't move me
Oceans, oceans won't soothe meLove it when I'm leaving
Love it when I'm leaving
Cry me a bayou
Slime, sleaze pass throughAngels with dirty faces
Disappear without traces
Cry me a bayou
When I'm leaving
