

# Johnny

## Bratsch

Hello, my name is Johnny  
Well, hello, my name is Johnny  
I like exploit myself  
And I like to complain in vein  
Sweet little boy  
Johnny  
Sweet little boy  
Johnny  
Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind  
'Ello my name is Roger  
Well, hello, my name is Roger  
I like to proclaim myself  
A God and likely ordain myself  
Sweet little boy  
Roger  
Sweet little boy  
Roger  
Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind  
Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind  
Sweet little boy  
Johnny  
Sweet little boy  
Oh, no, it's Roger  
Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind  
When I help you explain your mind  
Let me show you the way to my  
Let me show you the way to my  
Let me help you explain your mind

When I help you explain your mind
