

Creation Dream

Bruce Cockburn

Centred on silence
Counting on nothing
I saw you standing on the seaAnd everything was
Dark except for
Sparks the wind struck from your hairSparks that turned to
Wings around you
Angel voices mixed with seabird cries
Fields of motion
Surging outward
Questions that contain their own repliesYou were dancing
I saw you dancing
Throwing your arms toward the skyFingers opening
Like flares
Stars were shooting everywhere
Lines of power
Bursting outward
Along the channels of your songMercury waves flashed
Under your feet
Shots of silver in the shell-pink dawn
