

There It Is

James Brown

Ow, there it is Hey, soul, soul
Need a taste
Mine is right, yeah
In the right place You're doing your do
Like you want to be
Give up trying
To run the game on me Then dig it
From the real side
Stand, sure enough
To be satisfied Meet be at the big house
Get down
Let everybody know
Let everybody know My main squeeze
Just hit the town
Get up and do what, what you can
Get up and do what you can For the world to see
Games don't mean
Nothing to me You can't run a game on me
Don't need to thank me
Don't mean a thing
Hey, hit it, come on, uh Playing in the car [Incomprehensible]
Wipe the sweat
Gonna have some fun
Time's getting short We got to move
But in the meantime
Mama, we got to groove, hey Long as you see
Can't run a game on me
Long as you see
Games don't mean a thing to me
Long as you see Hey, hey
Hey, hey
Hit it Hit it, hit it
Hit it, hit it, hit it Well, then dig it
From the real side
Stand, sure enough
And be satisfied Meet at the big house
Where we all get down
Let everybody know
The main man just hit the town Got a mean man

We got a mean man
I wanna see the man scream
I got the mean man
