There It Is

James Brown

Ow, there it is Hey, soul, soul

Need a taste

Mine is right, yeah

In the right placeYou're doing your do

Like you want to be

Give up trying

To run the game on meThen dig it

From the real side

Stand, sure enough

To be satisfiedMeet be at the big house

Get down

Let everybody know

Let everybody knowMy main squeeze

Just hit the town

Get up and do what, what you can

Get up and do what you canFor the world to see

Games don't mean

Nothing to meYou can't run a game on me

Don't need to thank me

Don't mean a thing

Hey, hit it, come on, uhPlaying in the car [Incomprehensible]

Wipe the sweat

Gonna have some fun

Time's getting shortWe got to move

But in the meantime

Mama, we got to groove, heyLong as you see

Can't run a game on me

Long as you see

Games don't mean a thing to me

Long as you seeHey, hey

Hey, hey

Hit itHit it, hit it

Hit it, hit it, hit itWell, then dig it

From the real side

Stand, sure enough

And be satisfiedMeet at the big house

Where we all get down

Let everybody know

The main man just hit the townGot a mean man

We got a mean man
I wanna see the man scream
I got the mean man
