# Walls Of Innocence

## Egypt Central

Chipping away the unity
For something we cannot foresee
An eye for and eye
A tooth for a tooth
Til all that's left is the fucking truth
Chorus-
Behind the walls of innocence
Echoes the lies they hold within
We're losing even if we win
Wipe it away to start again

The tragedy of your deceit
Is broken fate in our beliefs
The veil has dropped that blinded me
If there's no choice are we really free
Chorus
Start Again
