

World Go Round

Rogue Traders

Just gimme a reason
And any one will do
And I'll stay tonight
If you want me to I'm not really that type of girl
But you're my type of guy
Come a little closer darlin'
And I'll show you why (You're so good)
You make my world go 'round
You make my world go 'round
Gotta make my world turn round, round round
(You're so good) Just tell me a story
And any one will do
I can make it happen
If you want me to
