

# Hell

## Foo Fighters

This state I'm in  
A place I've never been  
I'm dyin' to meet you here  
Come break this skin  
I'll let you sink right in  
And show you everythin'  
See you in hell  
We'll gather around the fire  
And I will lead the choir  
Sing farewell  
See you in hell  
Don't break my spell  
We'll drown the wishin' well  
We'll find some time to kill  
I'll be right there  
The buzz inside your head  
The horrible electric chair  
See you in hell  
We'll gather around the fire  
And I will lead the choir  
Sing farewell  
See you in hell
