

Once In A Lifetime

[Sarah Brightman](#)

Cuando anochezca
Te esperaré
Quiero volverte loco esta noche
Con la luna llena
Te esperaré
Hoy moriras entre mis brazos
Nunca sonaras de mi aun igual When the darkness falls
I will wait for you
I want to drive you crazy tonight
with the full moon
I'll wait for you
Tonight you'll die in my arms
You never dreamt of anything like Let me dive in
To pools of sin
Wet black leather on my skin
Show me the floor
Lay down the law
I need to taste you more Refrain:
Then I feel your sea
Raining down on me
Can this be my once in a lifetime
Hell's at heaven's door
As I need you more
You know you're my once in a lifetime Todo tu cuerpo temblara
Pero esta ves, es realidad
Aunque el tiempo pase
Nunca
Nunca me olvidarás
Sera
Solo una ves en tu vida Your whole body will tremble
But this time is reality
Though the time will pass
You'll never
never forget
It will be
only once in your life When you take me
And make me cry
Then I feel you satisfy
Show me the cage

It's all the rage
And lock it up Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime Once in a lifetime
Once in a lifetime
Once in a lifetime Giving you my soul
Letting you control
Took away a part of my lifetime
Memories of you
Left me black and blue
Now I know you're once in a lifetime Refrain Found a part of me
That's a mystery
That will be just once in a lifetime
When the moon is high
Passion never dies
Will you want me for all a lifetime Refrain Found a part of me
That's a mystery
That will be just once in a lifetime
