

I'm So Worried

Monty Python

I'm so worried about what's happening today
In the Middle East, you know
And I'm so worried about the baggage retrieval
System they've got at Heathrow I'm so worried about the fashions today
I don't think they're good for your feet
And I'm so worried about the shows on TV
That sometimes they want to repeat I'm so worried about what's happening today
And you know
And I'm worried about the baggage retrieval
System they've got at Heathrow I'm so worried about my hair falling out
And the state of the world today
And I'm so worried about being so full of doubt
About everything anyway I'm so worried about modern technology
I'm so worried about all the things
That they dump in the sea, I'm so worried about it
Worried about it, worried, worried, worried I'm so worried about everything that can go wrong
I'm so worried about whether people like this song
I'm so worried about this very next verse
It isn't the best that I've got And I'm so worried about whether I should go on
Or whether I shouldn't just stop I'm worried about whether I ought to have stopped
And I'm worried because it's the sort of thing I ought to know
And I'm so worried about the baggage retrieval
System they've got at Heathrow I'm so worried about whether I should have stopped then
I'm so worried that I'm driving everyone round the bend
I'm worried about the baggage retrieval
System they've got at Heathrow
