

# Mondo Bongo

## Joe Strummer and the Mescaleros

Something there I was patrolling a Pachinko  
Nude noodle model parlor in the Nefarious zone  
Hanging out with insects under ducting  
The C.I.A. was on the phone, well, such is life Latino caribo, mondo bongo  
The flower looks good in your hair  
Latino caribo, mondo bongo  
Nobody said it was fair, oh Latino caribo, mondo bongo  
The flower looks good in your hair  
Latino caribo, mondo bongo  
Nobody said it was fair Latino caribo, mondo bongo  
The flower looks good in your hair  
Latino caribo, mondo bongo  
Nobody said it was fair For the Zapatistas I'll rob my sisters  
Of all the curtain and lace Down at the bauxite mine  
You get your own uniform  
Have lunchtimes off  
Take a monorail to your home Checkmate, baby  
God blessed us and our home  
Where ever we roam  
Now take us home, flaquito Latino caribo, mondo bongo  
The flower looks good in your hair  
Latino caribo, mondo bongo  
Nobody said it was fair Latino caribo, mondo bongo  
The flower looks good in your hair  
Latino caribo, mondo bongo  
Nobody said it was fair  
Latino caribo, mondo bongo
