

Runnin On Love

Silent Rage

I'm not sittin' around I'm ready to roll
Her driven` love makes me lose control
I'm pumped up, and n0thin`can slow me down

Put her to the floor she fuels my fire
She gets closer, and I get higher
All rev`d up racinâ€™ with the speed of sound

Chorus

Iâ€™m runnin', runnin' on love
If you're empty I'll fill you up
Iâ€™m runninâ€™ on love
Iâ€™m gonna start you up
Iâ€™m runnin', runninâ€™ on love
If you're lonely then Iâ€™m the one
Runnin', runninâ€™ on love

I'm not holdin' back, Iâ€™m holdin' my own
She's my little queen and I'm her throne
She don't put on the brakes when I want love

I'll slide it in gear, and give her what she needs
Her rpm's high she's on full speed
If they get in our way we'll drive 'em down
