Maudlin

Signal the Escape

Let go
Of all
Your preconceived notions
About me

Let me set the record straight
I?m not the person
That they said I was
I?ll show you that we?re more

You won?t be alone
If you fall, I fall, too
Cuz we?ve got nothing to lose
What else can we do?

Listen to these words I say
The meaning
And structure
And let me set the record straight

I?m not planning
On leaving you
So helpless
So helpless and alone

You won?t be alone
If you fall, I fall, too
Cuz we?ve got nothing to lose
What else can we do?

And you?ll find out
So easily
I promise you
I promise you

So, take these words
For what they?re worth
Just one last chance
To show the world

So, take these words
For what they?re worth
I promise you
I promise...

You won?t be alone
If you fall, I fall, too
Cuz we?ve got nothing to lose
What else can we do?

You won?t be alone
If you fall, I fall, too
Cuz we?ve got nothing to lose
What else can we do?
