Free Love

Stefanie Heinzmann

Let your hair down, get yourself over here
Everybody's waiting now
Set your mind free let your heart go just feel
Tell me do you hear me nowYou can spread your wings and fly so high
Ride on the waves, whatever feels rightDon't you know that we're the children of
A time of free love
Gotta have it, gotta give it, gotta let it go
Yeah we're the children of
A time of free love
It's inside us, all around us, everywhere we go
Oooh, yeah, yeah(Free love)
(Free love)Take your shoes of, put your thoughts on a shelf
Everybody's chillin' out
You can free fall, let your body ease itself
Doesn't really matter howYou can put some music on, as loud as you like
Turn down the light, whatever feels rightDon't you know that we're the children of
A time of free love
Gotta have it, gotta give it, gotta let it go
Yeah we're the children of
A time of free love
It's inside us, all around us, everywhere we go
Oooh, yeah, yeah(Free love) Uh yeah babe
(Free love) Free, free, free, oh yeahDon't you know that we're the children of
A free love
Uuuh yeah, oooh
Free loveDon't you know that we're the children of
A time of free love
Gotta have it, gotta give it, gotta let it go
Oooh, yeah(Don't you know that we're the children of)
(A time of free love)
(Gotta have it, gotta give it, gotta let it go)
(Yeah we're the children of)
(A time of free love)
(It's inside us, all around us, every)Don't you know that we're the children of
A time of free love
Gotta have it, gotta give it, gotta let it go
Yeah we're the children of
A time of free love
It's inside us, all around us, everywhere we go

Oooh, yeah, yeah
