

Super Turnt Up

Ciara

I'll give this love to you
So baby come get it, get it
Yeah
I like that
It sounds good, uh
Let me give it to you I'm super turnt up
I'm super turnt up
I'm super turnt up
I can't lie, I'm super turnt up, uh
I'm super turnt up
Me me, I'm super turnt up, uh
I'm super turnt up
Super turnt up
Super turnt up We been keepin' secrets from each other
I just wanna say what's on my mind, my mind
Boy you make me feel like a woman
I'mma need to spend all the time Word around town is shawty got that good look
Once you get a dose of it, have you locked down
I call him Mr. Badman, hit 'em on his cellular
Signal in the sky, yea there he go That's my baby
He be puttin' it down
I love my baby
We go round and round You know that I
I'm super turnt up
Boy your love got me super turnt up
I can't lie, I'm super turnt up
Super turnt up, super turnt up You know that I
I'm super turnt up
Boy your love got me super turnt up
I can't lie, I'm super turnt up
Super turnt up, super turnt up You go out of your way to make me happy
You deserve the man of the year
I need to put that in my life
Keep you by my side
Ain't no way around it, let's be clear Word around town is shawty got that good look
Once you get a dose of it, have you locked down
I call him Mr. Badman, hit 'em on his cellular
Signal in the sky, yea there he go That's my baby
He be puttin' it down

I love my baby
We go round and round You know that I
I'm super turnt up
Boy your love got me super turnt up
I can't lie, I'm super turnt up
Super turnt up, super turnt up You know that I
I'm super turnt up
Boy your love got me super turnt up
I can't lie, I'm super turnt up
Super turnt up, super turnt up Like Miss, double 'S-Y'
I'm super duper fly
Tell me have you ever seen
A chick do it quite like me
Boy you'll never see
I keep it so fresh
Ziplock, I'm finna go in
Put that boomerang on you baby keep it coming back
You gonna want it like this again
Your love got me leaning boo
Screw it up, slow it down like this
Top notch, I be so high
Them other broads can't even see me
Stay safe, keep the block hot
Runnin through yo hood
Speakers loud with the top drop
We ain't never been turnt to a love fiend
This uh sold up, call me me That's my baby
He be puttin' it down
I love my baby
We go round and round You know that I
I'm super turnt up
Boy your love got me super turnt up
I can't lie, I'm super turnt up
Super turnt up, super turnt up You know that I
I'm super turnt up
Boy your love got me super turnt up
I can't lie, I'm super turnt up
Super turnt up, super turnt up I'll give this love to you
So baby come get it, get it
I'll give this love to you
So baby come get it, get it
I'll give this love to you
So baby come get it, get it
I'll give this love to you
So baby come get it, get it
