

Once Upon a Time

Tom Jones

Once upon a time there was an Eden, woah
Once upon a time Adam and Eve
A fell in love, they fell in love
Like you and I, like you and I
Once upon a time there was Delilah
Once upon a time the devil and she
A tempted man, oh yes, a tempted man
A just like you are tempting me
Once upon a time I knew just what to do
But that was long before I met you, yes
Once upon a time I knew just what to do
But now I've fallen in love
Oh yes, I've fallen in love with you
Woah, once upon a time there was a Eden
I said once upon a time Adam and Eve
A fell in love, I gotta tell you they fell in love
Like you and I, like you and I
