

United Forces

Ministry

[originally by S.O.D.]It doesn't matter how you wear your hair

It's what's inside your head

United Forces stand for all strong far

Black, white and yellow and red[Chorus:]

UNITED Forces, UNITED Forces, UNITED Forces

UNITED Forces, UNITED Forces, UNITED ForcesSkinheads and bangers and punks stand as one

Crossover to a final scene

United Forces and their job won't be some

Until the world can see
