

If This Is the End

Faith Hill

Our love is the moon
Our love is the kingdom come
Our love is the flame
Our love is will be done Our love is a jewel
A diamond in the rough
But you don't want it
You don't wanna take If this is the end
I don't wanna know this time
If this is the end
I don't wanna go home this time
If this is the end Our love is true
Our love is the rising sun
Our love is in bloom
Our love has just begun, yeah Our love is proof
Of what was yet to come
But you don't want it
You don't wanna take If this is the end
I don't wanna know this time
If this is the end
I don't wanna go home this time
If this is the end It was so easy
We were so young
It's only natural to come undone At the end of this evening
Before the rise of the sun
You're coming with me
You're coming with me, yeah, yeah, yeah If this is the end
I don't wanna know this time
If this is the end
I don't wanna go home this time
If this is the end I don't wanna know
I just want you by my side
If this is the end
I don't wanna know
I just want you by
Lord, I want you by my side
Yeah, yeah, yeah, yeah, yeah, yeah I don't wanna know
I don't wanna know
I just want you by
Wow, I want you by

I want you by my side
