

The Power Of Love (2006 Digital Remaster)

Huey Lewis

The power of love is a curious thing
Make a one man weep, make another man sing
Change a heart to a little white dove
More than a feeling, that's the power of love
Tougher than diamonds, whips like cream
Stronger and harder than a bad girls dream
Make a bad one good, mmm make a wrong right
Power of love will keep you home at night
Don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden and it's cruel sometimes
But it might just save your life
That's the power of love
That's the power of love
First time you feed it might make you sad
Next time you feed it might make you mad
But you'll be glad baby when you've found
That's the power that makes the world go round
Don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden and it's cruel sometimes
But it might just save your life
They say that all in love is fair
Yeah but you don't care
But you know what to do
When it gets hold of you
And with a little help from above
You feel the power of love
You feel the power of love
Can you feel it? Don't take money, don't take fame
Don't need no credit card to ride this train
Tougher than diamonds and stronger than steel
You won't feel it until you feel
You feel the power, feel the power of love
That's the power, that's the power of love
You feel the power of love
You feel the power of love
You feel the power of love
