

Big Girl

Angela Ammons

What do you want to be when I grow up
A teacher, a nurse or a bum
I don't need you to judge what I did
Stop treating me like a kid If I wanna change my mind
Without asking you
If I wanna take my time
Than I'm going to 'Cause I'm a big girl
I'm a very good girl
Yes, I'm a big girl And you don't have to worry
'Bout me this time
Just trust me
I'll be fine And, hey, yeah
Do you ever think of letting go?
And, hey, yeah
Before I lose my mind Everything I want to do, you say no
When I ask you why 'cause I told you so
If I wanna tie my shoes without help from you
Guess no one ever sheltered you And, hey, yeah
What ya gonna do when I'm not around
And, hey, yeah
You can't make the clock unwind, I keep telling you I'm a big girl
I'm a very good girl
Yeah, I'm a big girl And you don't have to worry
'Bout me this time Just trust me, I'll be fine
And, hey, yeah
Do you ever think of letting go?
And, hey, yeah, before I lose my mind I'm a big girl
And I'm not your little girl
Yeah, I'm a big girl
And you don't have to worry about me this time
'Cause I'll be fine I'm a big girl
I'm a very good girl
Yeah, I'm a big girl
And you don't have to worry 'bout me this time Just trust me I'll be fine
And, hey, yeah
Do you ever think of letting go?
And, hey, yeah
