Give Me One Reason

Tyrone Wells

Give me one reason to live without Him
Give me one reason to walk away
I know you don't understand this feeling
How can I show that He is the reason
I have to let you go
I've tried so hard to change your mind
I always thought that you'd understand the reasons why
Why I don't want to do the things that I used to do
Now that my heart and my soul belong to God and God alone
Still every night's a fight to make it through
I can't deny I'm still in love with you
But how can you expect me to
Walk with Him and give myself to you
Give me one reason to live without Him
Give me one reason to walk away
I know you don't understand this feeling
How can I show that He is the reason
I have to let you go
Boy, I still long for your embrace but what I've found in God, oh
It could never ever be replaced, still I pray for the chance
As you slip through my hands you'll come around
But your heart's so far away from the words I'm trying to say, yeah
Wish I could hold you both and still be true
There's only one thing left for me to do
Baby, I love you but I can't stay with you
Unless you love Him too
Give me one reason to live without Him
Give me one reason to walk away
I know you don't understand this feeling
How can I show that He is the reason
I have to let you go
I've found the path that I've gotta take
No turning back, back to the old ways
Got a chance to take sacrifice to make
Whatever it takes I won't turn away
Give me one reason to live without Him
Give me one reason to walk away
I know you don't understand this feeling
How can I show that He is the reason

I have to let you go
Give me one reason to live without Him
Give me one reason to walk away
I know you don't understand this feeling
How can I show that He is the reason
I have to let you go
Give me one reason to live without Him
Give me one reason to walk away
I know you don't understand this feeling
How can I show that He is the reason
I have to let you go
