

# If I Was A Bird

**Fantasia Barrino**

Sometimes blindness finds me and leads me through ignorance  
Not allowing us to gain experience so we become lifeless  
At other times I cover with self pity or work aimlessly through reality  
So occasionally I choose to travel alone  
But never fulfill my possibility  
So mostly I attempt to achieve balance  
By seeking right knowledge and loving and reviewing  
And eventually over standing those many lessons of my life  
You got me caught in a stormy eyed world that drains  
And I beg to see truth and promises you made to me  
Now we've come so far but my visions of happiness  
With you in my life I'm afraid and confused  
If I was a bird I'd fly  
If I was a bird I'd fly away, spread my wings so I'd escape  
If I was the sky I'd let it rain to wash away the pain  
If I was a bird I'd fly away, spread my wings so I'd escape  
If I was the sky I'd let it rain to wash away the pain  
Now why do I feel so alone knowing I know I have you  
And what made you turn around on me what did I do?  
And when did love feel this way so much pain and misery  
Where's the you I once knew and could you fly with me?  
If I was a bird I'd fly away, spread my wings so I'd escape  
If I was the sky I'd let it rain to wash away the pain  
If I was a bird I'd fly away, spread my wings so I'd escape  
If I was the sky I'd let it rain to wash away the pain  
Now I can't stay, you won't need me  
Set me free and let me fly  
Oh fly with me, fly with me me  
Fly with me, yeah, fly, oh fly, fly  
If I was a bird I'd fly away, spread my wings so I'd escape  
If I was the sky I'd let it rain to wash away the pain  
If I was a bird I'd fly away, spread my wings so I'd escape  
If I was the sky I'd let it rain to wash away the pain  
Fly away  
If I were the sky I'd let it rain to wash the pain  
Fly away  
If I were the sky I'd let it rain
