

# Filthy Black Shit

## Frost

There's a devil in the mirror  
The shit lice come writhing  
Witch-song is calling  
Rise up!  
Beasts of the earth  
Pass the filthy shit  
Kiss the devils rotting asshole  
Dancing in circles  
Back to back Black faced - limping like Wotan  
Come now - white with blood, witch  
Come and kiss the devils rotting asshole  
Come and join the orgy of souls Now crawl with me demons  
Feast upon this fucked up carcass  
Tonight dreams come flooding  
The massacre of innocence  
Kiss the devils rotten asshole  
Dancing in circles  
Back to back Black as stale blood
