Descendents

Flatulation punctuates the still night airAnd I thank god you're hereI queefed - Enjoy
Make the most of my butt-toastEnjoy my good friends - EnjoyThe laces of my shoes unlock the mysteryCome and share a treat with me
I can't recall the last time I washed my feetWe're in for a treatHere's my shoes - Enjoy
And here's my socks - EnjoyMake the most of my toe toast
Enjoy, my good friends - EnjoyFlatulation punctuates the still night airAnd I thank God you're hereI queefed - Enjoy
Sniff my ass whilst I pass gas
Smell my feces - EnjoyEnjoy my good friends - Enjoy
