Slowly

Tricky

I fly away
I fly away
I'm up high
I fly away
I fly awaySome people have fun with me
And won't talk to me
It makes me feel uncomfortable
I'm in troubleI fly away
I fly away
I'm up high
I'm flyin'
I'm dyin'Can't you see you're killin' me
Ability, I'll show you all that sex is
It's not in your Lexus
And when your restlessCan I be on your next list, wait awhile
Make her smile, make her smile
Crash her guest list
Thrown to my knees, once she receivesWith you, I put a dress on
I dress and impress on
I taste like licorice
Scream if you're ticklishSlowly, slowly, slowly
Act like you know me
Slowly
Act like you know me
Slowly, slowly, slowly
Act like you know meSo if he would put a dress on
Unless you put the stress on
Tuck your hair behind your ears
Your tears, your silly fearsI'd be your Teddy bear
I'd choose the clothes, I wear
With you, I had so much pain
Shot glass migraineFor you, I'd lose my focus
Swim in a swarm of locusts
For you, I'd swim with ease
Save the planet, leave the treesHold me, hold me, hold me
Forget what you told me
For you, I'd swim with ease
Save the planet, leave the treesSlowly, slowly, slowly
Act like you know me

Slowly
Act like you know me
Slowly, slowly, slowly
And act like you know meFor you, I'd swim with ease
Save the planet, leave the treesSlowly, slowly, slowly
And act like you know me
Slowly
And act like you know meSlowly
And act like you know me
Slowly, slowly
Act like you know me
