Good Time to Tell Me

Plumtree

The morning sun
Never shines through
No matter all the things I do
Things I doNow all my life
Has been pleasure and pain
Neither one is fine
Cause they feel the same
Feel the same
I love
The way
You talk to me
I love
The way
You talk to me
I love
The way
You talk to me
I love
I love
The way
You talk to me
Just this once
Give me my say
Don't interrupt
Don't walk away
Just this once
I'd like to be okay
Now I don't know 'bout you
But I can speak for me
My world is a happy place to be
Place to beI love
The way
You talk to me
I love
The way
You talk to me
I love
The way
You talk to me

I love
I love
The way
You talk to me
Just this once
Give me my say
Don't interrupt
Don't walk away
Just this once
I'd like to be okay
