I Wish I Was Still In Your Dreams

Conway Twitty

I saw you through a cafe window down on second avenue
The passage of time sure has been good to you
I was tempted for just a moment to run out in the street
But what do you say when two old lovers meetYou say, hello
(Hello)
How are you
Youre doing well it seems
I wish I was better at bein alone
I wish I was still in your dreamsI spent a lot of lonely hours staring at this phone of mine
Knowing your just a heart beat down the line
Once I even dialed your number, but I couldnt let it ring
What do you say to a sweet memoryYou say, hello
(Hello)
How are you
Youre doing well it seems
I wish I was better at bein alone
I wish I was still in your dreamsIn my favorite fantasy
Youre the one whos missing me
It all comes back so easily
When I hear you sayYou say, hello
(Hello)
How are you
Youre doing well it seems
I wish I was better at bein alone
I wish I was still in your dreamsI wish I was better at bein alone
I wish I was still in your dreams
