All Through the Night

Julie London

The day is my enemy, the night my friend,
For I'm always so alone till the day draws to an end;
But when the sun goes down and the moon comes through,
To the monotone of the evening's drone I'm all alone with you.

All through the night,
I delight in your love,
All through the night you're so close to me!
All through the night,
From a height far above,
You and your love brings me ecstasy!

When dawn comes to waken me,
You're never there at all!
I know you've forsaken me
Till the shadows fall;
But then once again I can dream, I've the right
To be close to you all through the night.
