

Crush

Warren G

west west y'allray j chorus:
oh baby, dont u rush, dont u crush
we gotta just take our time
hush, girl just hush,
dont say a word, i know what you like
us, its just us,
turnin off my phone tonite girl
crush, on you, crushin you tonite.warren g verse 1:
every now and then i feel a little about it,
the VIP get a little crowded,
you should see the piece with the diamonds inside it
its so vibrant, platinum all around it
when i take flight, how can i stay grounded
got the 2 6 pep boys been around it
shawty wanna shake the spot like right now
5 cut a cranberry saturn right now
mama got back, pretty little thang
kicked in the door with bullied out the game
PYT, pretty young thang
i told her cross over stop messin with the lames
switchin 4 lanes like money aint a thang
i got on 4 chains like money aint a thang
yeah girl this is us tonight
take her back to the crib we gon crush tonight
right?ray j chorus:
oh baby, dont u rush, dont u crush
we gotta just take our time
hush, girl just hush,
dont say a word, i know what you like
us, its just us,
turnin off my phone tonite girl
crush, on you, crushin you tonite.warren g verse 2:
so now we in the coup, starin through the roof
your face like a model your body through the roof
champagne by the bottle, now we in the loop
im g'd up, with doc i be swimmin thru the loot
anything for my boo, from fashion to asprin
i told pops u the one u could ask me
flashin the necklace, the ring like a fitty

we can leave the country have sex in the city
any soakin the till takin shots like biggie
i realised i got my own style like diddy
bb and carrots baby girl be shinin
old man aint the only one throwin up diamonds
throwin up dollars yeah i gotta have it
laughin at the girls on the floor tryin to grab it
i aint spike lee but ma i gotta have it
dont blush baby girl just crushray j chorus:
oh baby, dont u rush, dont u crush
we gotta just take our time
hush, girl just hush,
dont say a word, i know what you like
us, its just us,
turnin off my phone tonite girl
crush, on you, crushin you tonite.ray j bridge:
these 4 walls cant contain my love
girl can we take this to the balcony
this lil bed just aint large enough
for the two of us
girl i hope your feelin me
oh girlverse 3 warren g:
and girl its just us so just hush
you might get outta line the nine is gon bust
you see the crushed, ice in your face
hit the cush, now u in space
dont fuss we seein eye to eye
i push the 6 and pass by ur 5
and rush hour in ya ride
your girl by my side
we gon crush tonight right?ray j chorus:
oh baby, dont u rush, dont u crush
we gotta just take our time
hush, girl just hush,
dont say a word, i know what you like
us, its just us,
turnin off my phone tonite girl
crush, on you, crushin you tonite.check this out this your homeboy ODLB
