

Hitsuzen Maker

ONE OK ROCK

What am I gonna do?
If my last heartbeat's going to
Come in a few minutes
How do I live my last?

Yurusenai hito o sukoshi yurushite
Iyai na hito o sukoshi sukininari
Soshite saigo ni jibun no koto
Ai suru koto wa dekiru no kana

Try to make it now
I don't want anymore regret
'cause time's never back
hodoke nai you ni kutsu himo musubi
tomaru koto no nai you ni to futatabi hashiru

ikiteru kanji ga sukoshi de moshitemasuka
jimonji tou ni mayotte
hidari mune ni kono te atete mita
hitotsu me no kodou ga naki sakebu
yoin o nokoshi futatsu me ga naru
sore o saigo ni tsugi ni naru hazuno
Oto wa iki o hisometa

Try to make it now
I don't want anymore regret
'cause time's never back
hodoke nai you ni kutsu himo musubi
tomaru koto no nai you ni to futatabi hashiru

all you want to do is not always
what you have in your mind
can't you see something new
coming on your way?

Try to teach you how
I don't want anymore hatred
'cause no one ever sucks!
Kimi ga boku ni oshiete kureta

Kyou to iu hi ni dare ka o suki ni naru koto

Atari mae ni shiteta hazu no kokyu ga moshimo
Nokoriwazu ga kazufun datoshitara
Boku wa hatashite...
