

# Slow March

## Mutual Benefit

Won't you say what you mean  
Lately I've been staring cross-eyed just to see  
What it is that's in your heart  
A place so tucked away it's hidden from yourself What does it take to be at peace  
To accept the things that linger out of reach  
I wish you'd say what's on your mind  
I feel a slow march towards the darkness all the time Say what you mean, it's the time to leave  
Say what you mean, say the things I can't
