

Beautiful Life (feat. Sandro Cavazza)

Lost Frequencies

[Verse]

Anywhere you are and you'll go, I follow

Mountain [?] river low, I follow

Take me to the bottom, drive me in low

Wherever you go

Mountain [?] river low, I follow [Chorus]

It's a beautiful, beautiful life

Beautiful, beautiful life

Beautiful, beautiful life

With you [Verse]

Anywhere you are and you'll go, I follow

Mountain [?] river low, I follow

Take me to the bottom, drive me in low

Wherever you go

Mountain [?] river low, I follow [Chorus]

Beautiful, beautiful life

Beautiful, beautiful life

Beautiful, beautiful life

With you
