# Crazy Love (feat. Debâ€™s Daughter)

## Audien

[Verse 1: Deb's Daughter]
I burn your clothes, you put your fist through the wall
You make me bigger and I make you crumble
Pretend I'm sleeping when you come home late
I know you want it but I make you wait[Chorus: Deb's Daughter]
I'm talkin' 'bout love, I'm talkin' 'bout crazy love
I'm talkin' 'bout love, it's just a little bit dangerous
'm talkin' 'bout love, I'm talkin' 'bout crazy love
Yeah we cry, sometimes fight like we're wrong, but we're right but it's all in love[Post-Chorus: Deb's Daughter]
I'm talkin' 'bout love
I'm talkin' 'bout love
I'm talkin' 'bout love[Verse 2: Deb's Daughter]
You think it's funny when you drink too much
You call me weak and use me as a crutch
I followed you and then you broke my heart
But you took the time and you fixed every part[Chorus: Deb's Daughter]
I'm talkin' 'bout love, I'm talkin' 'bout crazy love
I'm talkin' 'bout love, it's just a little bit dangerous
'm talkin' 'bout love, I'm talkin' 'bout crazy love
Yeah we cry, sometimes fight like we're wrong, but we're right but it's all in love[Post-Chorus: Deb's Daughter]
I'm talkin' 'bout love
I'm talkin' 'bout love
I'm talkin' 'bout love[Bridge: Deb's Daughter]
I remember that day that I met you
Knew then I would never forget you
(I'm talkin' 'bout love)
Still here after all that we've been through
Everybody needs a little bit of crazy
(I'm talkin' 'bout love)
I remember that day that I met you
Knew then I would never forget you
(I'm talkin' 'bout love)
Still here after all that we've been through
Everybody needs a little bit of crazy[Chorus: Deb's Daughter]
I'm talkin' 'bout love, I'm talkin' 'bout crazy love
I'm talkin' 'bout love, it's just a little bit dangerous
'm talkin' 'bout love, I'm talkin' 'bout crazy love
Yeah we cry, sometimes fight like we're wrong, but we're right but it's all in love[Post-Chorus: Deb's Daughter]
I'm talkin' 'bout love

I'm talkin' 'bout love
I'm talkin' 'bout love
