

I Never Knew

[Sarah Blasko](#)

It's not enough, It's not enough for both of us.
This love I feel, Wont reach into your heart.
Though it hurts inside, To find my pride so altered.
I let you go, to find your way alone. I never knew it would hurt like this
To let someone go against my wishes
All I can do is hope and pray
That you'll find your way. It's not enough, it's not enough for now.
When I open up, it leaves me in the cold.
'n though it hurts inside, I summon all my pride.
To let you go, let you be alone. But I never knew it would hurt like this,
To let someone go against my wishes.
All I can do is hope and pray,
That you'll find your way. Oh, woah, woaa oh oh... I never knew it would hurt like this
To let someone go against my wishes
All I can do is hope and pray
That you'll find your way. I never knew it would hurt like this
To let someone go against my wishes
All I can do is hope and pray
That you'll find your way.
